

General Agreement for the Delivery of Raw Materials and Aggregates

Between

Address

and

Goerg & Schneider GmbH u. Co. KG
Guterborn 1

56410 Boden

1. Scope of Agreement

This agreement shall apply to all deliveries of raw materials / aggregates (herein thereafter referred to as “products”), which the supplier delivers to G&S as from the date on which this agreement is signed by both parties.

This agreement shall be considered an integral part of the respective supply agreement and is seen as a supplement to the General Terms and Conditions of Purchase of G&S, unless expressly agreed upon otherwise in writing between both parties.

2. Specifications

The supplier shall submit their specification of the products to be delivered for a prior clearance investigation / registration to G&S.

The order will be based on the agreed product specifications, more specifically the respective safety data sheets, which have been submitted to G&S and are at their disposal on the date of the order, stating the validity date or a corresponding status indicator.

3. Batches per delivery

The delivery of products by the supplier shall be effected from one batch indicating the respective code. This code shall be stated on all shipping documents.

4. Safety data sheets

The supplier undertakes to include the relevant safety data sheet with each shipment or else send it by e-mail prior to shipment. The safety data sheet shall be at hand no later than the time when the products are received at G&S goods receiving. Upon request, further analytical values have to be provided to G&S.

5. Identification

Upon delivery, the outer packaging of the products needs to be clearly marked with the following data in perfectly legible lettering:

- Product designation
- G&S purchase order number
- Vendor name
- Batch number
- Date of manufacture and / or expiry date

- Net and gross weight
- Hazard warnings in accordance with legal requirements

6. Obligation to notify

Any intended change or modification such as

- Discontinuation of production
- Changes in product composition

has to be coordinated with our (G&S) Product Development at the earliest possible date.

t.rabago@goerg-schneider.de, Phone number +49 (0)2602/9273-275

The supplier must always ensure that G&S has been provided with the most current version of the

- Safety Data Sheet
- Delivery specification
- Labelling requirements according to statutory provisions

Updated versions of the above mentioned documents and any amendments made have to be communicated to G&S.

c.schwarz@goerg-schneider.de, Tel. 02602/9273-122

Shipments that fail to comply with the conditions stipulated in this agreement shall be considered unsatisfactory. Should the supplier detect a deviation following the delivery of the products, they shall be obliged to notify G&S thereof without delay.
